

**Dear Scott,**

**We would like to give you a letter of high recommendation to use as you would like--in part or in whole. If there is a handicapped person looking for help with a kitchen, we would be more than happy to have you show them ours/yours. It was very difficult for us to picture what a true accessible kitchen could look like. There really isn't any way we can thank you, but maybe this will be of help.**

**George and Karen Clark**

A handwritten signature in cursive script, appearing to read "Karen", with a horizontal line underneath it.
